

## ***20-Hour Course for Paraprofessionals***

**Audience:** K–6 paraprofessionals

**Length of Training:** 3 days

**Materials:** Training books

**Enrollment:** 15–35 participants per grade level

### **Description**

By exploring *Put Reading First* and other critical research documents, you will gain solid background knowledge of the elements necessary for good reading instruction. Through activities, discussion, and practice, you will learn how best to support your teachers and students using ***Houghton Mifflin Reading***.

### **Objectives**

This training helps you to:

- ~ Understand the organization of the ***Houghton Mifflin Reading*** program
- ~ Practice the skills, strategies, and assessments that are taught throughout the program
- ~ Receive ongoing support through the 20-hour follow-up training available in any one of three areas: Assessment, Classroom Lessons, and Professional Reading.
