

LETRS Seminar: Phonics

Audience: K–6 teachers, special education teachers, Title I teachers, reading teachers, literacy coaches, and administrators

Enrollment: 20–50 participants from grades K–2 or 3–6

This two-day seminar provides the tools you need to bring effective, research-based phonics instruction to your classroom. Using **Houghton Mifflin Reading**, this course enables you to

- ~ Become familiar with the steps in teaching a new language concept
- ~ Learn and practice the techniques for teaching phonemic awareness in grades K–2 and decoding longer words in grades 3–6
- ~ Gain strategies for building readers' accuracy and speed in word recognition
- ~ Rehearse strategies for building language comprehension while reading controlled text
- ~ Explore the daily phonics instruction in **Houghton Mifflin Reading**
- ~ Participate in practice activities for teaching the phonics lessons.
