

**Reading First
40-Hour Course for Educators**

Audience: K–3 teachers, reading coaches, administrators, and supervisors

Length of Training: 5 days

Materials: Training books

Enrollment: 15–30 participants

Description

Designed to meet the requirements of the *Reading First* initiative, this course highlights up-to-date, proven instructional strategies as well as reviews the scientific research base of **Houghton Mifflin Reading**. Trainer modeling, practice with the lessons, planning, and group discussion show you how to make the most of your reading instruction. Not only does this training strengthen your teaching skills, but it also helps your school comply with the stringent *No Child Left Behind* legislation.

Objectives

During this training, you will:

- ~ Learn how to successfully implement the **Houghton Mifflin Reading** program using a variety of components to ensure classroom success
- ~ Practice evidence-based instructional strategies for phonemic awareness, phonics, fluency, vocabulary development, and comprehension
- ~ Incorporate English language development support that aligns with **Houghton Mifflin Reading**
- ~ Differentiate instruction to meet the diverse range of needs in your classroom.
